

Campaign tracker: the story so far

- **Trees planted in Oct – Dec 2013 period: 61,673**
- **Total trees planted so far: 660,071**
- **Location: Malawi, Africa**
- **Type of trees:** we are focusing mostly on **Guava** and **Papaya** trees, both of which grow quickly and provide abundant fruit. Guava trees grow in 4-5 years whilst Papaya trees grow in 2-3 years
- In association with our friends at **Ripple Africa**

Focus: new campaign video

- Fruitful Office have supported RIPPLE Africa to help John and Dorothy Nkwazi and their family in Malawi to plant much needed trees for fruit and firewood
- This year this family is planting trees around the perimeter of their property
- The fruit trees provide valuable nutrition for the family
- The trees also provide valuable fuel for cooking
- Watch the video here: <http://youtu.be/MgLWYbrL4Og>

Planting trees in Malawi

John and Dorothy Nkwazi are one of the many families benefiting from our campaign
