

### Campaign summary

- **Location:** Malawi, Africa
- **Type of trees:** we are focusing mainly on guava and papaya fruit trees, and also some quick growing trees like senna siamea to provide firewood
- **Who benefits:** poor Malawian families benefit from the trees both for income generation and to provide both fruit and firewood for their own consumption
- **Working with:** our friends at Ripple Africa

### Focus: our recent visit to Malawi

- Fruitful Office recently travelled to Malawi
- We wanted to ensure that our contributions were making a positive difference to people's lives as well as the local environment
- We left impressed by the work being done, and thankful to our customers for making all this possible
- Watch the video here > <https://youtu.be/kul2eyUR1IA>
