

# Planting Fruit Trees campaign

Jan - Mar 2024

# FRUITFUL OFFICE

## Campaign summary

- **Location:** Malawi, Africa
- **Type of trees:** we are focusing mainly on Guava and Papaya fruit trees, as well as trees for firewood like Senna Siamea, Pine and Blue Gum
- **Who benefits:** poor Malawian families benefit from the trees both for income generation and to provide both fruit and firewood for their own consumption
- **Working with:** our friends at Ripple Africa

## A successful planting out season

Over a million trees were planted out this January.

Several farmers in Mzinba South have planted Pine trees to provide a sustainable source of timber and firewood:

- Mzondi is 23 years old and a father of one. He has planted 1,200 trees and is very motivated to provide a future for his family
- Penjani planted 3,200 trees with the help of his five children
- Macloud is from Chiwale Village and is 56. Also a father of five, he is enjoying his first year and planted 2,500 trees
- Finally Tally, also from Chiwale Village, has planted an impressive 7,000 trees
