

# Planting Fruit Trees campaign

Oct - Dec 2021

# FRUITFUL OFFICE

## Campaign summary

- **Location:** Malawi, Africa
- **Type of trees:** we are focusing mainly on Guava and Papaya fruit trees, as well as trees for firewood like Senna Siamea, Pine and Blue Gum
- **Who benefits:** poor Malawian families benefit from the trees both for income generation and to provide both fruit and firewood for their own consumption
- **Working with:** our friends at Ripple Africa

## Tree planting season is once again here!

- Young trees are once again getting planted out from the many tree nurseries, so as to coincide with the start of the rainy season which runs from now until April

*One of the local community tree planting clubs near Mwaya*

*Families are taught how to grow their fruit trees and the best way to plant them out for best results, including putting bricks around the base to protect the trees*
