### Fruitful Office

A huge thank you from all of the team here at Muscular Dystrophy UK for generously donating a large selection of fruit for our post-race reception. This helps us greatly in accommodating 175 of our runners who are taking part in the Great North Run this year. Thank you so much for joining the fight against muscle-wasting conditions.

Muscular Dystrophy UK is the charity for 70,000 people living with muscle-wasting conditions.

We make a difference today, by providing vital information and support to help people live independently.

We make a difference for tomorrow, by accelerating progress in research and driving the campaign for access to emerging treatments.
